

FIRM OVERVIEW

Tilleke & Gibbins is a leading regional law firm with over 100 lawyers practicing in four offices located in Bangkok, Phuket, Hanoi, and Ho Chi Minh City.

Our firm represents the top investors and the high-growth companies that drive economic expansion in Asia in the key areas of commercial transactions and M&A, dispute resolution and litigation, and intellectual property.

Established in 1890, we have grown into the largest independent law firm in Thailand due to our client focus, regional expertise, and international vision.

Client Focus. Our clients' long-term success is our utmost priority. To this end, we take the time to learn about our clients' unique corporate culture and operations, their goals for their business, and how we can best provide value. We understand that value is a key driver in our relationship with our clients, and we are committed to providing efficient, effective, and responsive legal services.

Regional Expertise. Clients rely on our unparalleled expertise in both the law and the business climate. We know the key industries and players and can identify advantageous private partnerships and areas for government collaboration. Beyond business transactions, we help our clients to overcome language barriers and to appreciate the historical and cultural factors that impact doing business in Southeast Asia.

International Vision. Our roots are in Southeast Asia, but our practice is global—driven by our international clients and the growing economies of Thailand and Vietnam. Our corporate clients include world leaders in the fields of pharmaceuticals and healthcare, energy, consumer goods and retailing, manufacturing, financial services, information technology, and telecommunications. We proudly help global companies excel in Asia and domestic companies shine abroad.

For these reasons and more, our clients trust us with their biggest deals, their most precious intellectual property, and their most critical legal matters.
